Greeting Ministry

On any Sunday morning, there are 400 or more people that enter the doors of our building. We need members to help people feel welcomed and comfortable in our building and worship services. If this is an area you would like to help with, see Kent Phillips.

Local Evangelism

Sharing the story of Jesus is the heart of our mission as a church. We want to be proactive with this mission in our own community and our daily relationships. Do you want to be more involved in sharing Jesus with others? Talk with Eltonio Brown to learn more.

Nursery Attendants:

Children and families are a vital part of our church here at Champions. One of the services we offer during Sunday morning worship is a staffed nursery. See Karen Casey to learn more about this important work.

* Each month we will highlight different ways to be involved.
