Family Matters

"I will extol you, O LORD, for you have drawn me up and have not let my foes rejoice over me." (Psa. 30:1). We serve a great God. We come together today to worship Him. Let's join together as His people and lift Him up today.

We welcome our visitors today. We have a meal prepared after services in our family center. We would love for you to stay and have lunch with us.

We want to welcome several new members to our Champions family. *Ronnie and Ashley Seals* are returning to Champi-

ons. They have two children *Erie and Elly*. *Bonnie White*, the mother of *Ashley Seals*, also wants to be identified as a member of Champions. Last and certainly not least, we welcome *Raven Lartique* to our church family. Let's give each of these a warm Champions welcome.

The Little Champs Thanksgiving Feast is November 21st. This will be my first one to attend, but it is my understanding this is the largest event for Little Champs. There were over two hundred people that attended last year. We need

volunteers to help with lunch. No food preparation is needed just help with logistics during the meal. We also need people to be at the event to help greet and welcome our Little Champs family. If you can help or have any questions, see *Lisa Killough*.

Parting thought: "Obstacles can't stop you. Problems can't stop you. Only you can stop you."

Have a great week!

~Lance

John's Jogs: VETERANS DAY - TOMORROW

Here is my annual Veterans Day article: Armistice Day was celebrated as the anniversary of the cessation of hostilities in World War I (Nov. 11, 1918) and of the signing of an armistice between the allies and Germany. Immediately after the war, Nov. 11 was set aside in the U. S., Great Britain, and France as a day of remembrance for those who had given their lives in the war and was generally called Armistice Day.

After World War II it was recognized as a day of tribute to the dead of that conflict as well as World War I. In Canada it came to be known as Remembrance Day. In Great Britain the Sunday nearest November 11 was proclaimed as Remembrance Sunday and was devoted to honoring the dead of both wars.

After the Korean War President Dwight Eisenhower signed a bill June 1, 1954, designating November 11th as Veterans

Day and proclaiming it as an occasion for honoring veterans of all wars. It is usually observed with parades, speeches and the placing of floral tributes on the graves of servicemen. In the U. S. group naturalization ceremonies have come to be an important part of the day's activities. Special services are held at Arlington National Cemetery and at similar shrines in other countries. (*Encyclopedia Britannica*)

The term Veteran denotes a person who has completed a term of service in the armed forces and returned to civilian life. Veterans are usually thought of as persons who have served their country in times of war either as combatants or non-combatants. By the 1960s in the U. S. there were 22,000,000 veterans, roughly one-eighth of the total population.

Since Veterans Day IS TOMORROW, may I suggest that you take time to thank God for the sacrifice that all veterans have

made so that we might have the freedom to worship God in His own appointed way without any harm coming to us. Take time out from the picnics, hot dogs etc. to just take some time to reflect on the history of all the efforts that have taken place for us to live in the comfort we have today. Consider taking a trip down Veterans Memorial to the Veterans Cemetery and spend a few moments meditating on the meaning of those graves. What a great blessing to live in America – do something today to show your appreciation!
